

Tablet Easy Set-Up Guide

1. Carefully insert the charger - right side up - into the charger port on the bottom edge of the device. Be careful not to twist or bend the end of the cable.
2. Plug the other end of the cable into an outlet and put the tablet in an easy to access location.
3. Use the stand and place the tablet on a hard surface, like a table or counter top.
4. Turn on the tablet by pressing the power button on the side of the tablet.
5. Select the "CareBridge" app from the home screen.
6. Click "Get Started" and watch the video about CareBridge.
7. Read and sign two consent forms: General Consent to Treat and HIPAA Privacy Authorization Information.

That's it! You are all set!
